**Soin Relaxant Reves D'Amazonie
(Amazonian dreams relaxing treatment)**

This holistic well-being body concept for him and her results in complete relaxation and inner harmony. Four ritual treatment steps (beneficial peeling, delicately scented oil massage, mysterious tingly body wrap and refreshing final cure) can be individually combined and take you on a journey of the senses.

90' € 120,00

micarelux® (Integral body massage and Reconnection®)

micarelux® is an integral body massage which has a relaxing effect coming from a various techniques. It uses a new concept of loudspeakers at natural sound "Naturschall" to achive a stronger resonance in our bodies. At the end with the Reconnective Healing we help us to consider a new way to feel our body in complete silence.

Biodynamic Craniosacral Therapy

The Biodynamical Craniosacral Therapy is a gentle, non-invasive form of therapy that makes use of different approaches. The craniosacral system manifests itself in different biological forms of wave movements that are expressions of our health. With this practice we consider the “man” totally and bringing in balance all the parts of it.

Ayurvedic Massage

The Ayurvedic massage targets all the senses. (Ayurveda = Science of life)
The manual techniques stimulates and harmonize the body. In this way, a feeling of well being and inner peace will be restored. Ayurveda as an integral method does not limit itself to external, superficial manual techniques, but it takes us to a balance considering internal as well as external perceptions.

50' € 80,00

Reflexzonemassage

It is proved that every part of our body surface corresponds to an internal region of our body. The reflexological method stimulates the different areas: Feet, Hands, Tommy, Face, Ears. By the stimulations of these zones the bodily functions improve and that reinforce our feeling of relaxation.

Chi nei-Tsang (Internal organs massage)

In the taoistic tradition this is the massage of the Internal Organs. It contributes to detoxify the organs by loosening the tensions which we hold on in our abdomen. This technique helps us to “digest” things that we have been accumulating in our belly over the years: Anger, Worries, Apprehensions, Anxieties, Fears.
